GRP Composite Doors

Quay PlasticsTM
PLASTIC BUILDING PRODUCTS

THE definitive collection

Quay Plastics™

We have put together a selection of our best selling composite doors which we are offering at great value prices.

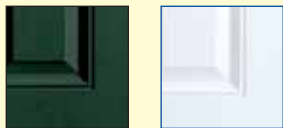

Colour options

All doors are available in a choice of four external facing colours and come with a white internal face, white outerframe and white hinges. The glass colour will complement your door unless you choose a white door, in which case you can select your glass colour from the range shown. All double glazed units come with Minster backing glass and silver spacer bar.

Green

White

Low threshold

All doors come with a low threshold section as standard. This meets the demands of BS6375 Part 1 Class C (severe) weather test and also complies with the 15mm height restrictions of Part M of the Building Regulations.
